

Carolyn Wehba
Chick-fil-a's RCCE Neighbor of the Month
January 2008

Carolyn was nominated as she is seen most days walking along Ridglea Country Club Drive and during these walks she is seen picking up trash from the road along the way. Not only is Carolyn doing something good for her health by walking, but she is doing something GREAT for RCCE as she is doing it. She is helping keep the main drive of our neighborhood pristine for our enjoyment as well as for the visitors into our neighborhood. Also during the nomination, it was stated that Carolyn can be seen often maintaining her yard and home. Again, adding to the beauty of our neighborhood and helping to keep up the values of our homes.

Carolyn and her husband John have lived in RCCE on Tamarack Road for nine years.

Thanks to Carolyn for her contribution to make RCCE a great neighborhood!
