

Julie Buell
Chick-fil-a's RCCE Neighbor of the Month
February 2008

February's Chick-fil-a's RCCE Neighbor of the Month Julie Buell on RCC Drive was nominated by Christine Copeland of Coral Circle. Here is part of the nomination email that was received.....

"I am nominating Julie Buell. My son was riding in a car with his friends and had a severe car accident at the golf course. The car he was in flipped several times and landed in the golf course parking lot. Mrs. Buell heard the noise and came to the car to see if she could help. These boys are only 16 and this was their first accident and she was there being their mom and giving hugs and making sure my son and his friends were alright. When my husband and myself got there she was in the mom mode and it brought tears to my eyes to see someone take the time and come to a neighbor's help. She went beyond her duty to stay with us in the cold until all the parents got there and made sure we were alright. She is such a caring person and after it was all said and done, I ran into her at the school and we talked about it again and it brought tears again to her eyes. I was so grateful for a friendly face to see my son who was injured in this accident and have someone to comfort him...."

Thanks Christine for nominating Julie.

Thanks to neighbors like Julie that make RCCE a great neighborhood!
