

**Colonel
Marvin "Sparky" Adams**

Chick-fil-a's RCCE

Neighbor of the Month

July 2008

Sparky was nominated by his down the street neighbors Ray and Barbara Valentine. Their nomination email included these words: "I would like to nominate someone who is a great neighbor; that would be Col. Marvin "Sparky" Adams (Retired). He has lived in the neighborhood for many years and when we moved in about four years ago, he was one of the first people to come over and introduce himself and welcome us to the neighborhood. Since that time he has been so very kind to pick up our paper almost every morning and place it on our front porch during his morning walk. He does this for several of the neighbors along his walk. If you happen to be out that early, he is always very jovial. He and his wife, Connie are both very kind and pleasant neighbors and we are glad they live nearby.

Thanks to the Valentines for nominating Sparky

and

Thanks to Sparky for making RCCE a great place to live!
