# CALLOWAY'S NURSERY

Need to spruce up those beds, plant new trees due to losses with Oak Wilt, or just want some new color to liven up the yard? Well now is the time to do it and Calloway's nursery is helping. We have a Calloway's nursery close to RCCE! It is located at 2651 South Hulen, at Stonegate Boulevard, 817.923.9979. On our website, [www.RCCEHA.com](http://www.RCCEHA.com), Members of the Homeowner's Association will find a \$5 off coupon good at all Calloway locations.

Calloway's is sponsoring our Yard of the Month program that will run March thru August. The resident's who are chosen as Calloway's RCCE Yard of the Month will receive a \$50 gift card good at Calloway's! Plus a photo of your yard will be posted on our website.

So, do you think your yard should be Yard of the Month, or maybe your neighbor's? Then send an email to [RCCEHAInfo@aol.com](mailto:RCCEHAInfo@aol.com) and nominate that yard **no later than the 10th of the month**. If your yard is chosen that month, Cheryl Dielman will contact you to make arrangements to receive your \$50 gift card from Calloway's.
